About Steve Wolfson

Steve Wolfson has been passionate concerning the Rottweiler since 1977. His credits include; former board member of the American Rottweiler Club (2002-2004), former president of the Long Island Working Rottweilers -a USRC club (1990-2000) an AKC/FCI recognized Rottweiler specialist judge, Head evaluator for the American Rottweiler Club Measurement Survey. Besides judging Rottweiler specialty shows in the US and recently for the Rottweiler Club of Canada, he has judged FCI Championship shows in Australia, Mexico, Italia as well as the prestigious IFR Championship Sieger show in Bologna, Italia 2004. Just recently he has returned from Judging assignments in Jamaica and Italy. Published author, writer/lecturer on the Rottweiler, he has written numerous articles concerning Rottweiler structure, temperament, breed type and locomotion.

Rottweiler Breed Measurement Survey
By: Steve Wolfson
Stroud Township Fire Department
Cost for Survey is \$10.00
Advance Registration Required

The Rottweiler Measurement Survey is designed to be used as a learning tool not only for the owners/Rottweiler fanciers of today but for those in the future as well. A certificate will be issued for each dog participating in the survey. Each certificate, signed by the evaluator and the ARC president, will include all pertinent information on the dog, as well as the measurements taken of the dog and a critique. The dog is also required to partake in a short heeling exercise on leash to demonstrate that the dog is under control. All information is recorded and entered into a database, which is for sale and published in booklet form. Each booklet is published at 25 certificate intervals.
